

A GLIMPSE OF HOPE

AL-MUDASIR ENGLISH MEDIUM SCHOOL KHANGARH

Allah Dino, the son of a farmer, grew up in a household with a monthly income of less than 12,000 rupees. Living in a remote village, **Allah Dino** often helped his father to make ends meet, leaving little time to focus on academics.

In **2018**, **Allah Dino** enrolled in the **Al-Mudasir English Medium School Khangarh** under the FAS program. SEF and GoS, in collaboration with **Lanjari Development Foundation LDF**, provided him with the resources and mentorship he needed to thrive.

Allah Dino's determination and talent in academics earned him a scholarship to **IBA Community College Ubauro in 2023**. He now aspires to join the military, driven by a desire to serve his country and uplift his family.
